Warranty

This is to certify that we will make good, by repair or the supply of a replacement, defects which, under proper use, appear in the goods within a period of five years after the goods have been delivered and arise solely from faulty design (other than a design made, furnished or specified by you for which we have disowned responsibility in writing), materials or workmanship provided always that defective parts have been returned to us if we shall have so required. We shall refund the cost of carriage on such returned parts and the repaired or new parts will be delivered by us free of charge.

Our liability under this clause shall be in lieu of any warranty or condition implied by law as to the quality or fitness for any particular purpose of the goods, and save as provided in this clause we shall not be under any liability, whether in contract, tort or otherwise, in respect of defects in goods delivered or for any injury (other than personal injury caused by our negligence as defined in Section 1 of the Unfair Contract Terms Act, 1977), damage or loss resulting from such defects or from any work done in connection therewith.

Yours Sincerely
For and on behalf of Siemens Protection Devices Ltd.
